

# BUILDING SERVICE WORKER CERTIFICATE PROGRAM

If you are changing careers or entering the work force, and are seeking employment in a growing industry, then our Building Service Worker (BSW) program is the right fit for you! In both the public and private sector, there is a growing demand for certified BSW's that know how to perform the job in a safe, competent, and professional manner.

Our 3-week BSW comprehensive program provides students with classroom and technical training including practical hands-on cleaning practice and experience using various cleaning equipment. Students will be taught all aspects of cleaning inclusive of sanitation, proper chemical handling, floor maintenance inclusive of stripping, waxing and buffing floors, carpet maintenance, safety procedures and Workplace Hazardous Materials Information System (WHMIS). Upon successful completion of this program, students will receive a BSW and WHMIS certificate.
